A Decade of **Strategic Progress**

*"With joy and gratitude, we celebrate the 10th Anniversary of the Foundation for Catholic Education."*

Bishop Michael J. Fitzgerald

## A Decade of Strategic Progress

**The Most Reverend  
Michael J. Fitzgerald,**  
D.D., J.D., J.C.D., V.G.  
Auxiliary to the  
Archbishop of Philadelphia

In the midst of many challenges in this year of the pandemic, Catholic Education is alive and well. Through your generosity and the leadership and support of the Foundation for Catholic Education, our Catholic elementary schools successfully completed the 2019 – 2020 academic year. Students, parents, teachers and administrators creatively partnered through the use of modern technology to seamlessly migrate from traditional, in person classroom education to a virtual environment of distance learning. Planning for the reopening of our Catholic elementary schools for the 2020 – 2021 academic year includes daily, in person classes for our students. Options for remote learning will be available to meet the needs of individual students as necessary and conversion to a full virtual learning program is planned should circumstances require it.

Thanks to your support through the Foundation for Catholic Education the mission to provide an academically excellent, faith based, affordable Catholic Education to our young people continues to advance.

With joy and gratitude, we celebrate this year the Tenth Anniversary of the Foundation for Catholic Education. Countless young people and their families have benefited from the foresight, vision and generosity of the Foundation over the past ten years. With creativity and dedication, the Foundation continues to actively promote and support Catholic Education in the Archdiocese of Philadelphia. This year with your help we raised over \$3.5 million dollars in scholarship funding for students in the Archdiocese of Philadelphia. Since 2010 over \$11 million dollars has been awarded to Catholic Schools in the Archdiocese. We thank you for recognizing the Foundation and for enabling us to provide families with a better option for their children. We have much to be grateful for as we celebrate the Tenth Anniversary of the Foundation and as we renew our goal of making an excellent, value centered Catholic Education accessible to all who desire it.

*Sincerely yours in Christ*

## A Letter from the Foundation

**Jerry Parsons,**  
President,  
Foundation for  
Catholic Education

Ten years ago, we took a leap of faith and established the Foundation for Catholic Education with the hopes of increasing tax credit scholarships for the Elementary Schools in the Archdiocese of Philadelphia. This annual report is a reflection on a decade of impactful work and strategic progress that has provided thousands of children access to a high quality Christ-centered education.

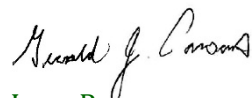

Throughout these ten years, the Foundation for Catholic Education has worked closely with the Office of Catholic Education and the Executive Board of Elementary Education to create innovative strategies that have ensured the viability of our Catholic elementary schools for generations to come. Some highlights of this partnership include, raising over \$11 million dollars in EITC scholarships, creating a governance model for the executive team and the local county leadership, organizing galas to celebrate those making a difference in Catholic Education, purchasing a building for an elementary school to grow and flourish, and forming strategic planning teams to assist struggling schools.

While we celebrate our Tenth Anniversary, the year 2020 has also brought with it the uncertainties of the COVID-19 pandemic and the economic downturn that challenged our Catholic schools to adjust and move quickly, ensuring that communities remained connected and learning continued throughout the entire period of the shutdown. Throughout the COVID-19 crisis, Catholic schools have been remarkably able to adapt and rise to the challenge of the moment, bringing excellent instruction in the homes of the children they serve. Our generous donors and partners recognized a need and provided emergency tuition assistance to families. This crisis has provided us an opportunity to help more children access the many benefits of a Catholic Education.

We know that the effort to assist families hardest hit by the pandemic is far from over. As we look to the next ten years, let us work together to strive to ensure that Catholic schools will be available, accessible, and affordable for all.

Thank you to everyone who made these past ten years a success! Let us continue to pray for one another and for all of those who help make Catholic Education possible.

God bless you and your families,

**Jerry Parsons**

Foundation for Catholic Education

### Vision Statement

Every family will have access to an affordable Catholic Education in the Archdiocese of Philadelphia.

### Mission Statement

To promote the growth and vitality of Catholic Elementary Education in the Archdiocese of Philadelphia.

## COVID-19 Impact

Schools were put to the test beginning in March of 2020 when they were told they need to close their doors and move to an alternative option, due to the COVID-19 pandemic. While schools in other districts struggled to adapt to online learning, the schools throughout the Archdiocese of Philadelphia transitioned within a few short days.

The Archdiocese of Philadelphia's "Distance Learning" programs kept children current with their curriculum, while continuing to form relationships with their teachers and classmates.

While this form of learning is not ideal, our schools proved that they could overcome anything.

*"Meeting the needs of our students drove all decisions! Life is filled with lessons and I know I speak for my teachers, students, and parents when I say the COVID-19 experience taught me the value of family, the importance of a rigorous education, and the blessing of belonging to a strong faith based community."* – Danielle White, Principal, ABVM

The challenges do not stop here. With the help of the Office for Catholic Education and CTDI, we were able to manufacture and distribute Teacher Sliding Partitions (TSP-20) to our 102 Catholic Elementary Schools! The TSP-20 will act as a shield to help build an extra layer of safety between the teachers and students in the classroom. We are grateful for the Ambassador Fund for Catholic Education for their support in this TSP-20 initiative.
